## Anchorage is experiencing an increase in homelessness like never before.

The Anchorage Gospel Rescue Mission frequently operates at capacity

We provide more than 7,500 meals per month and can seat 24 guests at a time

We accept and distribute clothing on a daily basis

We have a 12 month life skill program that graduates our clients at an elevated level back into self sufficiency

Our kitchen simply cannot keep up

The appliances and facility will no longer meet the demand of our needs

---

We can do more. We can expand and improve.

The Anchorage Rescue Mission has secured plans for a Kitchen Expansion that with your help will **triple capacity**.

Expansion will increase current kitchen prep area from 792 sq ft to over 4600 sq ft

Estimated Cost \$2,475,000

Anticipated Ground Breaking Date: May 15, 2021

Anticipated Completion of Project: July 4, 2022
